 Phone screening for SWE Internship. Got the following questions:

- ▼
1. <https://leetcode.com/problems/combination-sum/>
 2. <https://leetcode.com/problems/minimum-window-substring/>

Solved #1 optimally but pretty sure I gave the wrong complexity analysis. Ran out of time on question #

Did not make it to the second round.

#2 - Hard Question to solve in 20 mins. Bad luck mate. Keep faith.

Hi there!

If you could please edit the post title to the following layout: Company Name | Stage (Phone, Onsite, OA) | We ask that you can follow these guidelines here, thank you!
